TRADEMARK IS A LEADER IN NEW & USED TRUCK LEASE-FINANCING IN CANADA

Trademark Capital Finance is a nation wide leader in facilitating lease-financing options for the new & used transportation marketplace in Canada. Due to our specialization and volume, we are able to provide maximum flexibility options and best value in pricing for a wide spectrum of credit types. Both dealers and direct customers have come to trust our professional expertise and knowledge in providing 'real world' solutions for the lease-financing of transportation equipment. Our criteria in establishing credit is simple; we are performance based and hence, do not review credit requests as a bank would. We strive to provide various funding options based on a variety of factors and thus, our primary concern isn't your balance sheet, and declared income but your future ability to pay. Our professional and efficient process enables us to be an added value partner in tough economic times in being able to provide funding for your clients new and old.

Financing with Trademark provides you with approvals that work for your customer's cash flow and long term needs.

* Subject to terms and conditions and credit worthiness of applicants. Weaker credit covenants or applications subject to lease-financing structures and process' determined by credit strength and market conditions. Contact us for details.
